

PSI Summer Student Programme 2024

Welcome from the organisers

Andreas Adelman, Clemens Lange, Viviana Sabatini
2nd July 2024

The organising team

Andreas (Andy) Adelman

Center for Scientific Computing,
Theory, and Data

Clemens Lange

Center for Muon and Neutron Physics

Viviana Sabatini

Center for Scientific Computing,
Theory, and Data

We are here to enrich your stay at PSI

Agenda for today

1. Introduction to PSI (Christian Rüegg)
2. Welcome from the PhD and Postdoc Association (Natan Garrivier)
3. Welcome from the PSI sports club (Ben Martin)
4. Coffee and croissants

Lecture programme

Date	Time	Location	Topic(s)	Speaker(s)
02.07.2024	10:00	OSGA/EG6b	Introduction to PSI	Christian Rüegg
			Welcome from the PhD and postdoc association	Natan Garrivier
			Welcome from the PSI sports club	Ben Martin
03.07.2024	10:00	WHGA/001	SwissFEL	Christoph Bostedt
10.07.2024	10:00	WHGA/001	BIO	Jörg Standfuss
17.07.2024	10:00	WHGA/001	Particle Physics	Klaus Kirch
24.07.2024	10:00	WHGA/001	Proton therapy	Tony Lomax
31.07.2024	10:00	WHGA/001	Scientific Computing Theory and Data	Andreas Läuchli
07.08.2024	10:00	WHGA/001	Life of a PhD student at PSI	Arnau Alba Jacas Renato Bellotti

Several of the lectures will be followed by laboratory tours

Only today: coffee and croissants after the event

All other days (starting from tomorrow): coffee and croissants at 9:30 in the WHGA foyer

(Organised) Social activities

Date	Time	Location	Activity
24.07.2024	17:00	Outside OASE	Barbeque
31.07.2024	14:00	WHGA/001	Lightning talks by summer students (followed by apéro)
07.08.2024	14:00	WHGA/001	Lightning talks by summer students (followed by apéro)

We will ask for volunteers for the lightning talks at a later point — this will be a nice opportunity for you to share your work with others

We organise these activities so that you get to know each other, other students and in general people at PSI — you are invited to organise additional activities!

More information

We will collect everyone's contact information (PSI email address)

Please let your fellow students know about the programme!

This programme is for you — please try to attend all events to make this programme a success
