

BEAM TIME REQUEST AT THE PROTON IRRADIATION FACILITY

Spokesperson:
Institution:
Address:
.....
.....
.....
Phone:....., Fax:....., e-mail:.....

Is the invoice addressing the same as above?

Yes / No

If not, please provide the invoice address below

Contact person:
Address:
.....
.....

Is the experiment connected to:

ESA program: Yes / No ; NASA program: Yes / No;
University project: Yes / No ; Industrial research: Yes / No ;
Other: Yes / No

Short description:

Preferable date(s) of the irradiation:

Beam time (hours):, **Set-up time (hours):**

Proton energies (MeV):

Fluency or dose (p/cm²):

Maximum flux (p/cm²/s):

Beam spot: rectangular Yes / No: width (cm), height (cm):
circular Yes / No: diameter (cm)

Remarks, special conditions, needed support etc.

Please the following questions concerning safety of the irradiation experiment:

Will the experiment require using of:

1. radioactive materials: No / Yes , which:
2. toxic or explosive substances: No / Yes, which:
3. inflammable objects: No / Yes, which:
4. special gases: No / Yes, which:
5. liquid nitrogen: No / Yes, which:
6. liquid helium: No / Yes, which:
7. other safety risks: No / Yes, which:

Send the form to:

PSI-PIF,

e-mail: pif@psi.ch

with CC to

W.Hajdas,

e-mail: wojtek.hajdas@psi.ch

Tel. +41 310 4212

Beam order procedure in short:

1. Please, contact us directly, then fill the Beam Time Request and send it to us
-

2. We respond to you to clarify basic aspects of the irradiation campaign -

technical details:

beam parameters, dimensions of your apparatus, cables and voltages etc.

administrative objectives:

visitors, test dates, permissions, delivery, customs etc.

financing:

related to if tests are purely industrial or space agency or university program

scientific side:

results publishing, further tests, calculations etc..

3. Above information allows for preparing for you the Beam Time Offer and send to you as a confirmation of the allocated beam time.
-

4. Based on the offer your administrative officer should send to the LTP secretariat the Beam Time Purchase. Please, include into it such information like proper purchase number and invoice addressing.
-

Please send the Beam Time Purchase document to the following address:

Anita Govaerts Van Loon / WMFA C12
Paul Scherrer Institute
CH-5232 Villigen PSI
Switzerland

Telephone: +41 (0)56 310 3254
FAX: +41 (0)56 310 3120
Email: anita.vanloon@psi.ch

Customs formalities

Foreign groups who intend to import/export their equipment to/from PSI are requested to read http://log.web.psi.ch/einkauf/import_export.shtml prior to importation.

For more details please contact the PSI administration officer:

Mrs. Andre Teixeira
PSI Purchasing Office
Paul Scherrer Institute
CH-5232 Villigen PSI
Switzerland
